

Report of MoU

The Faculty of Science and Technology at The ICFAI University, Raipur, has recently inked a groundbreaking Memorandum of Understanding (MOU) with Siddhachalam Laboratory on April 12, 2024!

This collaboration holds immense promise as it aims to cultivate and enhance entrepreneurial mindsets among our bright Science and Engineering students, spanning across undergraduate, postgraduate, and Ph.D. levels.

The Main Objectives of the MoU will be:

1. Organize various workshops on Instrumental methods of Analysis
2. Conduct practical trainings on methods of analysis
3. Generate self-employment opportunities
4. Assist the students in establishing various start-ups through training and industry guidance
5. Arrange the placement of trained students in collaboration with Training and Placement cell
