

## **WORLD ENVIRONMENT DAY, JUNE 5<sup>th</sup> 2021**

World environment day is observed on 5<sup>th</sup> June every year. It is the United Nations' flagship day for promoting worldwide awareness and action for the environment. Over the years, it has grown to be the largest global platform for environmental public outreach and is celebrated by millions of people across the world.

Following the corona guidelines issued by the state government, ICFAI University Raipur observed environment day with a strong message of environmental preservation. Two hundred different fruit saplings were planted by each faculty member and staff of the University. During the event, Dr. S.P. Dubey, Honourable Vice-chancellor, and Dr. Ravi Kiran, Registrar sir participation doubled the enthusiasm of the people. Dr. S.P. Dubey requested all the staff and the Faculty Members to take care of the planted saplings till it grows well. The event was a great success.
