

ICFAI University Raipur & NASSCOM Unite for "My Promise to India" Skill Development Campaign!!

ICFAI University Raipur organized an activity in collaboration with NASSCOM, our MOU partner, to participate in the "My Promise to India" campaign. This initiative encouraged students to write about the skills they want to acquire and how they plan to utilize them for India's growth, fostering a culture of innovation and entrepreneurship. Through this partnership, the university aims to equip students with industry-relevant skills, knowledge, and research opportunities in emerging technologies. The campaign promotes industry-academia collaboration and knowledge sharing, inspiring students to contribute to India's development process. By participating in this initiative, students demonstrated their commitment to utilizing their skills for the nation's growth, aligning with the university's goal of nurturing future-ready talent. This collaboration is expected to create a platform for students to develop their skills, network with industry professionals, and contribute to India's growth story, ultimately shaping the country's future. The partnership between ICFAI University Raipur and NASSCOM signifies a step towards bridging the gap between academia and industry expectations. On this occasion, the Vice Chancellor of ICFAI University Raipur, extended a heartfelt message to the students, emphasizing the importance of skill development and contributing to India's growth story.
