About the Event

HACKATHON 2026 brings together passionate student innovators to identify real-world problems and create meaningful solutions. Participants will collaborate, apply technical and entrepreneurial skills, and explore emerging technologies. Teams will transform innovative ideas into practical prototypes with real-world impact. The hackathon provides a platform to showcase creativity, problem-solving, team work and innovation.

Idea → Innovation → Prototype → Impact

Eligibility & Team: Open to all

Terms & Conditions

Each team for the Hackathon must consist of exactly 6 members, including one designated Team Leader. At least one female team member is mandatory. All participants must belong to the same institution.

Registration fee per team: ₹750/-

Cash Rewards
