

Name of the Activity	: National Space Day Celebration
Date of Activity	: 22nd August 2025
Name of the Speaker	: Minal Markam ,Zenith Gardia
Organised by	: Science and innovation club
Number of Participants	: Shreya, Satyam, Sudhanshu, Rahul, Meenakshi, Asad, Payal, Rishabh, Rishabh.

The “National Space Day” celebration is organised in ICFAI University, Raipur. The program was executed by members of the scientific club, led by President Shraddha Mishra, Vice President Rishabh, Treasurer Yash, and Secretary Harshita. The attending teachers commenced the occasion by lighting the lamp.

EVENT HIGHLIGHTS: A variety of activities were conducted during the event, with enthusiastic participation from the students. The competition consisted of exciting quiz rounds and informative explanations of video clips, during which students demonstrated great knowledge and teamwork, and which related theory with actual space missions.

OUTCOME: A large number of students gathered at the college auditorium. Students learnt about CHANDRAYAAN's discoveries, the operation of the PSLV vehicle, the ISRO MISSION, ASTRONAUTS, and other topics. The curriculum piqued students' interest in space science and encouraged them to pursue research and innovation.

Best things about the event: The event was attended by eminent faculty members- Dr. Shanti Swaroop Dubey (HOD), Dr. Piyush Kumar Thakur (Associate Professor), Dr. Amena Khanani (Event Coordinator), Dr. Shrutika Tiwari (Assistant Professor), and Dr. Tarkeshwari Verma (Assistant Professor), all of whom contributed to its success through their support and guidance. Students had high enthusiasm and active engagement in the quiz. Informative film snippets made difficult space topics simple to understand. The event finished with a vote of gratitude to the department head for his ongoing encouragement and guidance.

WINNERS OF THE QUIZ : TEAM EARTH

RECORDED BY : Harshita Dewangan (Secretary)

APPROVED BY : Dr. Shanti Swaroop Dubey(HOD)
