

## **Educational Visit to Khallari Temple, Mahasamund**

The Faculty of Science at ICFAI University, Raipur, under the Science Club, organized an Educational Field Visit to Khallari Temple, Mahasamund, on 21 January 2026 (Saturday). The program aimed to familiarize students with the rich cultural heritage of Chhattisgarh and to understand the historical and architectural significance of the temple. During the visit, students observed the traditional temple architecture and gained insights into its historical background and cultural importance. The activity also encouraged students to respect traditions and cultural values while promoting moral, ethical, and social awareness. The interactive discussions and on-site learning experience enhanced students' understanding of heritage conservation and cultural appreciation. The program was successfully conducted with enthusiastic participation from students and faculty members. The Faculty of Science expresses sincere gratitude to the University authorities, faculty coordinators, and participants for making the educational visit a meaningful and successful activity.
