

Media Report: Poster Presentation

The Science Club, Faculty of Science, The ICFAI University, Raipur, organized a Poster Presentation Competition on 14 October 2026 (Wednesday) to encourage scientific creativity, innovation, research aptitude, and effective scientific communication among students. The programme witnessed the active participation of 52 students and 8 faculty members from the Faculty of Science. The competition provided a platform for students to present scientific concepts, share their ideas, and demonstrate their understanding of various scientific topics through creative and informative posters.

The participants were encouraged to focus on the scientific accuracy, originality, organization, visual presentation, and clarity of their posters. Faculty members evaluated the presentations based on established assessment criteria, including scientific content, innovation, creativity, subject knowledge, and responses to questions. The competition created an engaging academic environment and promoted experiential learning, teamwork, confidence, and a research-oriented approach among students.

The event was successfully conducted with enthusiastic participation from students and faculty members, reinforcing the Faculty of Science's commitment to promoting scientific awareness, innovation, and academic excellence. The presentation was coordinated by Dr. Sadhana Rai and Dr. Piyush Thakur, Faculty of Science, The ICFAI University, Raipur.

The programme concluded with an appreciation of the participants' efforts and a recognition of the importance of scientific poster presentations in developing students' communication and research skills.
