

Hon'ble Vice Chancellor Reviews CRC Activities and Sets Vision for Industry-Academia Collaboration

The **Corporate Resource Center (CRC)**, earlier known as the **Training & Placement (T&P) Cell** of **The ICFAI University, Raipur**, warmly welcomed **Prof. (Dr.) S. D. Pandey**, Hon'ble Vice Chancellor, on his resumption of office. During the visit, the CRC team briefed him on ongoing activities related to **corporate training, internships, and placements**.

While reviewing the CRC's functions, the Hon'ble Vice Chancellor provided valuable direction and emphasized the implementation of the following key strategies:

- ☑ Strengthening industry collaborations
- ☑ Introducing advanced training modules
- ☑ Expanding placement opportunities across diverse sectors

With the Hon'ble Vice Chancellor's visionary guidance and strategic inputs, the CRC reaffirms its commitment to enhancing student employability. The center remains dedicated to equipping students with the skills, exposure, and industry engagement needed to thrive in today's dynamic and competitive job market.
